DIRECTIONS FROM SAN JUAN

(Going east - Approximate 15 to 20-minute drive, depending on your location and on traffic): Take Baldorioty Avenue (#26) East ("Este") from San Juan to Carolina. Baldorioty Avenue runs parallel with the main airport. Approximately 2-3 minutes after you pass the airport you will see a construction site on your right, then get off on Roberto Sanchez Vilella Avenue exit, continue to the 2nd Exit 12B (also known as Campo Rico Avenue East - "Este") and go over the bridge. (HINT: Follow the Museo del Niño brown signs.) Continue all the way straight, pass 5 traffic lights to the end and you'll see the entrance of Hacienda Campo Rico. Once you enter through the guarded gate you'll make a right turn, then the road leads you to the left, and then make a right in the intersection. Continue straight and after the lagoon on your right, you'll see a terracotta-colored house where you can park. Follow the stairs up to the Mojito Bar where you will find Eoadventure Ziplinings check-in kiosk.
